Planning a Family Day Out

Involve your teen in planning a day out, where will you go?

What about a trip to Wales?

Visit *Day out with the kids.co.uk*, here is the link

<http://www.dayoutwiththekids.co.uk/search.php?county=North-Wales>

Get a map, how far away are these attractions, how long will it take to get there?

Do you need to book?

How much do they cost? Can all members of the family take part? What about new attractions like Zip World Cavern or older attractions like the Great Orme Cable cars?

Plan a fun day out for the whole family!
