23rd September 2016

Dear Parents

Year 10 Information Evening: Tuesday September 27th 6.00 – 7.00 pm

I am writing to confirm your invitation the above meeting.

The purpose of the meeting is to help pupils achieve as well as possible at GCSE by explaining in more detail how you can help your son with the demands of year 10. The evening will consist of a series of short presentations covering the following areas:

- External examination procedures
- Controlled assessments
- Keys to success at Key Stage 4
- Routes after Key Stage 4
- English, Maths and Science

There will also be an opportunity to speak with staff about these issues.

It is important that your son accompanies you to the meeting as success in public examinations very much depends on three groups: pupils, parents and school.

I would encourage you to attend the meeting with your son in order that he can get off to the best possible start with his GCSE studies.

Yours sincerely

Mr G Flowers
Head of School
